10TH BRICS SUMMIT 25 - 27 JULY 2018, JOHANNESBURG, SOUTH AFRICA

The Cradle of Humankind is a 53 000 hectare site, comprising Maropeng and the Sterkfontein Caves. South Africa has unearthed the best evidence of the complex journey which the human species has taken to make us what we are.

It is not only a place of ongoing scientific discovery into our origins, but also a place for contemplation.

10TH BRICS SUMMIT 25 - 27 JULY 2018, JOHANNESBURG, SOUTH AFRICA

"BRICS has evolved and expanded its mandate beyond the initial economic focus that brought us together, to include political, security, social and other relevant matters. We have established our viable, credible and internationally comparable financial institutions. These developments have further compelled us to intensify our levels of cooperation" – opening remarks by President of the Republic of South Africa, Cyril Ramaphosa, BRICS Summit, 25 July 2018
